Experience

2023 - Present

ACME Printing & Packaging PLC

Information System Executive

Working as an information systems executive at ACME Printing & Packaging PLC. A subsidiary of Lankem from 2nd September 2023 to present. Supporting ongoing **SAP S4 HANA** implementation project while maintaining databases and in-house built ERP system. Also, working with O365 and working with Crystal Reports Microsoft servers and VB. Always learning something new every day while giving my best to the company I work.

2022 - 2023

Richard Pieris Distributors & Company

Information Systems Officer (System Support)

Worked as an IT Officer in the Information Systems Division at Richard Pieris Distributors & Company from 25 March 2022 to 31st August 2023. I learned much more about retail business operations while smoothing my knowledge in SQL and maintaining databases and ERP systems. Likewise, I took responsibility for and tested Java application versions as a QA. also had the opportunity to install Operating Systems such as Fedora, Windows and software installations and Troubleshooting.

2019 - 2020

Peoples Bank, Rikillagaskada.

Trainee Staff Assistant

Worked as a temporary teller / cashier in Peoples bank under the scheme for deployment of Advanced Level qualified students awaiting University admission for almost 01 Year and took my first step to be a hardworking, intelligent & responsible person.
